Dear Mr. Bowen:

Thank you for attending our Annual Awards Reception which was held here at the school board on July 29, 1993. Your attendance contributed to the success of the event greatly. We enjoyed the fellowship, networking and just seeing you.

It's businesses like yours that make our country such a grand place to live and I look forward to our continued working relationship as we endeavor to assist minority and women-owned businesses in being the best that they can be. Plan now to attend our Second Annual Awards Reception in 1994.

If I may be of further assistance to you, please don't hesitate to call me at 849-3306.

With warmest regards,

Mildred Eason
